### Staff Appreciation Week

This week is Staff Appreciation Week across the province where we recognize the people who do the challenging and important work in our schools. We are so incredibly fortunate to have such amazing people working with your children every day- teachers, aides, daycare educators, secretaries and caretakers. This year again has been an incredible test of our resilience, in unbelievably challenging circumstances in which we have to do our work. Please take a few minutes to send a note of thanks to our staff who come to school every day to do their best for our students and give them a positive, caring environment to learn and grow in.

### Pizza Thursday

Pizza Thursday has started up again, if you have missed this round don't worry, we will have another one after the March Break

### Black History Month

February is Black History Month! While Black history is Canadian history and should be taught and learned throughout the school year, during the month of February, we can take focused time to learn more and celebrate the lives and contributions of Black people here in Canada and around the world. Our classes will be reading books and exploring topics and activities throughout the month.
