### All Parents Welcome!

Come learn how YOU can become more involved as a volunteer with the Wakefield Elementary School! This year, three parents will be nominated to the Wakefield Elementary School's Governing Board (two two-year terms and one one-year term). We will also establish this year's Parent Participation Organization. This is the perfect opportunity to become more active in your community and to help make our school an even better place for our children to learn, prosper and grow. Volunteer today and help make a positive difference! We look forward to seeing you there.

If you have any questions or would like to learn more, please contact Julie Fram-Greig at [jframgreig@wqsb.qc.ca](mailto:jframgreig@wqsb.qc.ca) or Erin Connell at [erinconnell@sympatico.ca](mailto:erinconnell@sympatico.ca).

### What is the Governing Board?

The Governing Board is a representative decision-making body that discusses and adopts the school's success and strategic plan, the annual budget and key school policies. Five parents sit on Wakefield's Governing Board as Chair, Secretary, PPO Representative, Parent Committee Representative and Special Projects Officer.

### What is the Parent Participation Organization (PPO)?

PPO is a forum for parents to plan fundraising activities and school events and to discuss issues of mutual concern.
